

## Maricopa Integrated Health Systems – Health Plans Childhood Obesity Survey

Maricopa Integrated Health System – Health Plans (MIHS–HP) is requesting your assistance to enable us to better serve our pediatric patients currently in your practice who are diagnosed with childhood obesity. Please assist us by answering the following questions. You can return the completed survey to MIHS–HP via fax at 602-344-8933.

1. How is childhood obesity treated in your office?

2. How do you educate patients and/or their parents on childhood obesity?

3. Do you refer cases of childhood obesity to other providers/specialists? \_\_\_\_\_

If so, who? \_\_\_\_\_

4. What benchmarks do you use when making referrals?

5. Best Practice Guidelines/Recommendations?

6. Are you tracking Body Mass Index (BMI) as indicated on the revised EPSDT Tracking Forms?
